Foreword

In preparing this volume, we have tried to present a true "panorama" of school life. As you reminisce through the pages of this book, may you remember with pleasure the many friends you have acquired, and the many activities you have enjoyed as a student at Doyline High School.

The Annual Staff

Dedication

TO THE COOPERS--

who have given their time and efforts for the betterment of the school and community, we dedicate the 1952 Panorama. As they leave us, they carry with them the best wishes and love of the entire student body and community.

"Though we may leave you
As the years go by,
We will not fail you,
Doyline High."

Principal's Message

Dear Friends:

I am grateful to the student body, faculty and community for the fine support you have given our school. We can look back with much pride on the advancement made. I believe our school has come a long way in stimulating and inspiring students to live at a higher level and helped him to develop a sound, satisfactory philosophy of life and effective living habits. This could have only been accomplished through sincere cooperation on your part. For all of this and the many other kindnesses may I say thanks.

Sincerely,

E. O. Cooper
